treet Houghous Erralustic the wife to Chinese authorities innuerthent and

for putting in an effectual protest against ning of abyrages tost at 4 o clock, any particular outbreak of Chinese parbaof it. By the evidence before us very frightful tortures were inflicted by Chinese was extinguished by one o clock, guarding the man at the wheel. I saw the inter-

dow of doubt, we should strive the med on deck I shortened sail and braced her were on the poop. There had been a rownat dearly as we may, within the little up on the starboard took at about 4.80 rem. I Whampool of the captain and mate jumped down four influence, to mitigate the horri- did not set the watch. The Chinese kept a watch. The hatch to quiet the Chinese. I do not know of our influence, to initiate the houring of the chinder of the winds of the chinder of the winds of the chinder of the c f foremost and the files of him is a few low land. The Amphibite steward on steamers in England and America. Defendant not appearing a Decree granted for igher task assigned he that of letands. On the Chinese seeing this land they There was a row amongst the Chinese of Wham-full amount with costs.

through this life with a large con-made afgress online and said that if I took them to I pos. It arose from the last life or the wrong place they would not all our heads off, sixty coolies that were so layed having received. Hooners rest to Chan Ying \$185. Goods the wrong place they would use all our heads off, sixty coolies that were so laked having received on the 11th the crew told me that the Captain \$15 whilst the other had only reddived \$10. Mr. Addiphits were retained by the min at the wines of the same paid them \$15 because he could not get on beard, the other coolies asked them how much of the Captain's cyc had been found in one of they had get a They replied \$15. They then said the closets, wrapped up in a piece of paper. The coolies asked them how much of the Captain's cyc had been found in one of they had get a They replied \$15. They then said the closets, wrapped up in a piece of paper. The latting was the second interpreter. They wanted \$5 more. They wanted \$5 more. They wanted \$5 more that they had got the soil in the closets, wrapped up in a piece of paper. The had they had got the word would be the ship with the mattheters. He said he they wanted the word was the second interpreter. They kept him until they chad got the money. cep- Dollars per Share on the Capital of the Company eviltative for Deat from doing our dittle But folion is in one of the enigrants closets. I Each man got his \$50. On the day that we went H. E. Host v Word Ning Carne \$500.

The defendant's partners were did his see about 2 m. the passengers complaint. The defendant's partners were ordered to will be due and payable on the city day of Novembers against it and described and payable on the city day of Novembers against it and described and payable on the city day of Novembers against it and described and produce the books of the condition of the second interpreter. I questioned that they could not cat the rice. I told the and produce the books of the condition of the first interpreter very closely about the cap captain what they said, and he answered that he day.

Beat thereof will be granted by the Back which any way with the internal government of kept which in rice, and that he (the captain) had only the condition of the captain) had only the captain had only Chino, or go too far in making representa- did not sleep at all. The Chinese still kept up the to look after the ship. The passengers were then tions which must in the beginning appear great fires and were masting pigs as before. quiet: The same night they complained of the Decree granted for \$4 They kept watch all the time and were beating rice again. I saw the rice. I think the rice was to Chinese authorities importained and they kept watch all the time and were beating rice again. I saw the rice. I think the rice was and another v. F. meddlesome we shall be doing harm, that with my usual goard and found the thronometers of the Chinese and delay the growth of the Chinese and delay the growth of Western ideas amongst them. Here we fall in with the common blunder of militates. At 1.5 c. w. we made Ligour they and they would not mash up. It was the same rice grain. I saw the rice. I think the rice it was the same rice grain. I saw the rice. I think the rice it was the same rice grain. I saw the rice. I think the rice it was the same rice grain. I saw the rice. I think the rice it was the same rice. I think the same rice it was the rice. I think the rice. I think the rice it was the same rice. I think the same rice grain. I saw the rice. I think the rice it was the same rice. I think the rice. I think the rice it was the same rice grain. I saw the rice. I think the rice it was the same rice. I think the rice it was the same rice grain. I saw the rice. I think the rice it was the same rice grain. I saw the rice. I think the same rice grain. I saw the rice. I think the rice it was the same rice grain. I the distinct of the rice. I the rice it was the rice. I think the rice it was the rice. I think the rice it was the rice of the rice of the rice.
